Disclaimer: Multiple chronologies were used in the preparation of this harmony. One was published by [Online Bible \(TFG 1.1Mb\)](#) which was modified for Internet by [MinistryServer.com \(table\)](#) in combination with [The FourFold Gospel](#) which we further modified for reading & studying **The New Testament Events in Chronological Order**. The Dates and Times have not been verified. [ See similar: [BibleMegasite](#) ]. For printing and for IE browsers use the [PDF](#) file.

A lot of the numbering and text is modified to suit 45-65 verses per day reading plan i.e put into readable portions. Use bookmarks in your Bible at each Gospel. Date each section read. Allow 63 days to read through it. Notice the emphasis by single lines with a large number of verses.
