

Speaker Dennis Hastert
United States Congress
Washington, DC

Dear Mr. Speaker,

In light of the September 11th attacks against our nation we must turn from the political correctness forced upon us by the likes of the ACLU and turn back to God. Our children and grandchildren cannot even wear patriotic T-shirts to many schools if they have the words "God Bless America" on them. This intolerable situation can be reversed by the School Prayer Amendment offered by congressman Ernest Istook. Our children deserve the right to pray publicly in their schools for our nation. Please set a vote for the School Prayer Amendment.

Sincerely,
